

## Template Action Plan for Integrating Feedback

Goal: Improve Essay writing skills to increase grades by 3 points by the end of the semester

Action Steps	Concrete Actions	Deadline/Milestone
Identify Areas for Improvement	Review past essays and feedback comments to pinpoint recurring areas of weakness	Week 1
Research Effective Writing Strategies	Explore resources on essay structure, thesis development, and effective use of evidence	Week 2
Practice Writing Exercises	Complete writing exercises focusing on specific aspects identified for improvement, such as thesis statements and paragraph organization	Ongoing
Seek Feedback	Share drafts of upcoming essays with peers or instructors for feedback and incorporate suggestions for revision	Week 3
Revise and Edit Essays	Dedicate time to revise essays based on feedback received, paying particular attention to addressing identified weaknesses	Ongoing
Review and Reflect	Write my reflexions on the effectiveness of revisions and identify areas of improvement for future assignments	Ongoing

### Success Criteria:

- Achieve an increase in essay grades by 3 points grades by the end of the semester.
- Demonstrate improvement in identified areas of weakness through feedback received on subsequent assignments.

### Review and Adjustment:

Schedule regular check-ins to review progress and adjust the action plan as needed based on feedback and evolving learning needs.
